Guest Rooms

Margaret Mitchell

A totally romantic bridal suite, the Margaret Mitchell room features a tall mahogany West Indies four-poster bed and large burlwood antique armoire. Gentle blue provides a background for some of my "Gone with the Wind" memorabilia.

Wordsworth

This light and airy room features a white cottage bed with Ralph Lauren linens - a perfect spot for a quiet retreat. The adjoining sun room overlooks a view of the spacious yard and has its own hand-painted sleigh bed.

Guest Rooms

McGuffey

The McGuffey room is replete with a magnificent sleigh bed in a plaid and hunt scene decor. An antique armoire, and marble top dresser enhance the cozy sunny atmosphere.

Rose

The Rose Room may adjoin either the McGuffey Room or the Margaret Mitchell Room to become a suite with either to accommodate an additional person.

Guest Comments

It was so much fun to be made to feel special and a bit pampered.

A perfect end to a perfect day, a wonderful start to our honeymoon.

I've never felt like a guest over the last 22 years, but more like family. The memories are many and the relationship as endearing and enduring as ever.

Once again, it's like coming home for a visit. If home were a mansion and Mom could cook.

Your home is one of the most beautiful homes we ever stayed in. Your hospitality and help with our car troubles were over the top!

What a grand mansion and great hospitality! B & Bs like yours are hard to find.

We love your Corgis and your wonderful breakfasts!

This has been the best B & B for us.

Peace and quiet, as well as good fellowship is a rare and special gift these days.

Your genuine warmth and kind nature are such a joy.

Whenever I think of Evansville, yours will be the face I put to this charming town.
