On your way to our Cape Cod bed and breakfast, you might venture east along the northern edge of the Cape, meandering along the twists and turns of historic Route 6A. Stop and visit any one of a number of quaint antique shops, traditional clam shacks, or the occasional potter's shed or garden nook. All of these spots are sweet, momentary strays on the way to the postcard perfection of what Yankee Magazine calls one of New England's prettiest towns*, Brewster, Massachusetts, where you will experience the warmth and hospitality of Isaiah Clark House Innkeepers, Steve and Philomena.

At our bed and breakfast in Cape Cod, making it downstairs for a full, gourmet breakfast is as much a part of the Isaiah Clark House experience as lively conversation, a relaxing walk, and a good night's sleep!

Cozy Dining

Your morning meal begins with fresh fruit, followed by an egg dish (quiche, omelettes, egg casserole, etc.) or a bread entree (waffles, French toast, pancakes, etc.), accompanied by the chef's choice of bacon, ham, or sausage on the side, fruit juice, and a selection of specialty coffee and tea. We are happy to accommodate those with special dietary needs (food allergies, vegetarian options, gluten-free, etc.)

The innkeepers are very friendly and offered excellent recommendations for dining. If you want to visit all of the Cape, it is a central location. Peaceful, beautiful backyard gardens with lots of birds.

We spent four nights and thought we were in a different world. The time there was one of the greatest vacations we have had.

Isaiah Clark House in Brewster provided well above expected service for our 3 day stay. Courteous efficient service throughout. Immaculate, clean room with facilities well beyond those expected. A superb b&b in a lovely location. ICH to be recommended!

We thoroughly had a great experience. Our room was very comfortable and the service (Steve) was great! This was one of the best B&Bs we have been to. Plenty of parking, the food was fantastic and the service top-notch. We would stay again without hesitation. We highly recommend you give the Clark House a try. Close to great dining and the beaches. Thank you.
