Why rent a room when you can rent a river? North Umpqua River Vacation Homes provide an unmatched, serene ambience for honeymoons, a getaway, creative writing, meditation or private river-side relaxation. Nicknamed the "Highway of Waterfalls", the North Umpqua River provides unmatched opportunities for fishing, bait as well as fly-fishing, river-rafting, kayaking, swimming and sightseeing.

From North Umpqua River Vista Vacation Homes there is an easy, short path to the river, opening that spectacular world to you, for your private enjoyment. This private pathway ends at a private year-around fishing and swimming hole on the North Umpqua River adjacent to Turtle Rock.

Each of the North Umpqua River Vista Vacation Homes is designed and built with large decks that maximize private views and interaction with the nearby river. The decks come with furniture and barbecues so you can enjoy the North Umpqua River while you savor an end-of-the-day refreshing beverage, snack, or full meal. All rental homes have fully-equipped kitchens, with all necessary cookware, seasonings, and serving amenities — plates, silverware, and glasses.

Simply superb-we take three trips a year to Hawaii. But I like it here better. Book us for next year!

Don and Juanita, South Bay RD

Happy New Year! What a wonderful place to start the New Year! We hate to leave, but will be calling for reservations. Thanks.

Chet and Paula, Olympia, WA

Restful, secluded. Marvelous birds. River sound a hushed murmur rather than a roar. Afternoon sun streaming upriver, sheer magic. Time seems to stand still.

Katherine, Sausalito CA

Came here for our honeymoon, and now back for 1St anniversary!

Frank and Jennie, Klamath Falls, OR

June 2002 Wow! Awesome! All the extra touches in the cabin made our stay so comfortable. And the beautiful view-the lovely green water with the reflection of the trees-flowing gently by, made our stay peaceful, calming and relaxing. Thank you so much . . . we will never forget . . . this night.

Robert and Faye, Bandon OR

Absolutely the best de-stressing vacation I have had. The cabin and grounds are immaculate. The little touches, chocolate and towels, rocks garden, etc, made a great place perfect. Randy, Brandy, and Boo made the stay worry free. Thanks!

Hank, Santa Rosa, CA
