Amenities

Situated in a quiet, secluded forest setting, this two bedroom is the perfect romantic rental.

The furnishings are simple, yet elegant. There are antiques mixed throughout, oriental rugs, and original artwork.

The kitchen is as well equipped as it is charming. A wood burning stove adjacent to the kitchen functions as a fireplace and the main heat source. Wood is provided.

Upstairs are two bedrooms with a king bed and a queen and a twin sized roll away. In the living room a queen futon sofa provides extra sleeping space; the house can accommodate up to seven. The private bath has a tub/shower.

Enjoy the hot tub and the privacy our setting has to offer. This cottage has all the amenities of home.

Fir Tree Cottage has fabulous gardens; meander in and out of heavenly greens and flowers.

Wake to the sound of birds.

A full breakfast consisting of all-organic local ingredients is offered.

Enjoy the beauty of surroundings in the morning sitting on the deck or in the evening watching the sun set.
