Spectacular Views

Rose Ridge Chalet sits on a South facing ridge. The full wall of windows allows a panoramic view of several mountains including Lazy Mountain, Pioneer Peak and most of the Chugach range. Knik Glacier is nestled at the end of the valley in center view.

Wildlife includes: moose, birds, squirrels, and maybe an occasional fox or black bear.

The private chalet is just up the hill from your hosts home and offers private parking, landscaping, and is smoke and pet-free. This vacation rental is perfect for families, couples traveling together and/or extended stays.

A full kitchen is stocked with breakfast items to get you started. The chalet offers two bedrooms and three queen sized beds. There are two full baths, washer and dryer, TV/VCR/DVD, clock radios, telephone and wireless internet.

For your enjoyment we provide a complimentary movie and game library. There is an outdoor patio eating area with a BBQ as well as a picnic table in the yard.
