## Guest Comments

*We stayed here one night of our honeymoon, and we didn't want to leave! The Hummingbird Suite was spacious yet cozy, and its decor was not too feminine that my husband enjoyed it too! We were greeted warmly and shown around our room and property. We loved that our refrigerator was stocked with sodas and water. Plus, there's a closet full of snacks! Breakfast was outstanding!! My husband was a little disappointed that we weren't served a hearty breakfast (sausage, eggs, pancakes, etc.), but we both enjoyed the crepes and that we didn't fill overstuffed the rest of the day! We stayed on a Tuesday, so we were the only guest. We definitely recommend staying at Shiloh Morning Inn for a getaway or for a night stay before heading into Oklahoma City or Dallas!*

**Deanna H., Kansas**

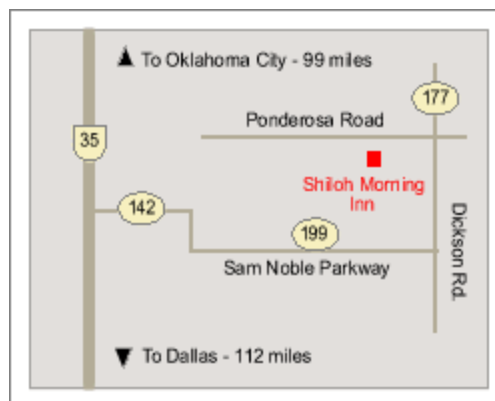

*A wonderful place to escape that is off the beaten path, but not too remote. Shiloh Inn provides a very relaxing and welcoming environment with exceptional amenities and superb innkeepers. This was our first, but not our last visit!*

**Misty S., OKC**

*Welcomed by friendly innkeepers who provided the best hospitality for the weekend. Dined in room - incredible meal- romantic setting. Comfortable suite, nice amenities. Tasty 3 course breakfast. Wonderful place to celebrate our anniversary.*
